

Retirement Offboarding

Once you have decided to retire from your Parkland career, you'll need to take several steps to ensure a proper transition. Below you will find offboarding information and key steps to assist in your retirement process.

Discuss your plans with your Supervisor:

1. Make sure to discuss your plans with your immediate manager. You will want to discuss your decision and finalize a last day of employment.
2. Turn in your official resignation to your supervisor with at least a 2-week last day notification if possible.

1. Employees are requested to provide at least two weeks' notice prior to the last day that work is to be performed.
2. Executive Staff, Senior Vice Presidents, Vice Presidents, Department Directors, and equivalent ranked staff are requested to provide at least four weeks' notice prior to the last day that work is to be performed.
3. Physicians, Advanced Practice Providers (APP) (i.e., Physician Assistants, Advanced Practice Nurses, Certified Nurse Midwives, and Certified Registered Nurse Anesthetists (CRNA)) are requested to provide at least six weeks' notice prior to the last day that work is to be performed.

Working the entire notice period is required.

1. Unless time off is given for Hospital observed holidays, jury duty or bereavement time.
2. PTO should not be used a part of the notice period.
3. Any PTO requested during the notice period may be approved at the manager's discretion. PTO should not be used for vacation time during the notice period.

Voluntary Resignation Form

1. Employees must complete the Voluntary Resignation form found in the OTM Portal within 24 hours of notice of resignation to their leader.

If employees choose to complete a survey, he/she is encouraged to be honest, candid, and constructive in their responses. The Exit Survey responses will only be provided to the Talent Management Business Partner (TM Business Partner).
3. Employees will receive a confirmation email upon electronic submission of the Voluntary Resignation form.
4. After submission of the Voluntary Resignation form, the employee's leader will receive a notification to acknowledge the employee's resignation. The leader will have 48 hours to acknowledge. If not acknowledged by the leader within 48 hours, an email will be escalated to the next level of leadership.
5. The Talent Management Business Partner will also receive a notification that the employee has submitted the Voluntary Resignation form. Once received OTM Shared Services will complete the termination process.

Voluntary Resignation Form submitted on behalf of employee:

1. If an employee is unable to complete the Voluntary Resignation Form, the employee's leader must complete the form on behalf of the employee due to one of the following circumstances:
 - a) Employee is out of office and has decided not to return
 - b) Employee has already left the organization
 - c) Death of Employee
 - d) Job Abandonment
 - e) Any other reason is to be further discussed with TM Business Partner prior to submitting the Voluntary Resignation Form.

Effective Date:

1. The effective date of a voluntary termination is the last day of employment (for overnight staff, it is the day the shift ends).
2. The effective date of an involuntary termination will be the date of conference that is indicated on the Progressive Discipline Report.
3. Termination benefits will be computed though the last day of employment for voluntary and involuntary terminations.
4. If employee termination is due to a department reorganization/staff reduction, and the employee is eligible for and has met the requirements for severance, the employee will be designated as "terminated with pay" during the relevant severance period, and the effective date of the employee's termination will be the last day of the severance period.

Parkland Retirees Organization

We're the PROs'! Come Join Us!

The Parkland Retirees Organization (PROs') is the only organized group for retired Parkland employees. Now that you're retiring, we're inviting you to join us and stay in touch with your retired Parkland friends.

PROs' Background:

In August 2003, retirees Katie Huber and Anna Robinson brought together over 50 former Parkland employees. From that gathering, the PROs' were formed and has continued to grow. PROs' members are from all departments of the hospital. We get together for fellowship and to gain information regarding retirement and Parkland activities.

PROs' Purposes Include:

- To rekindle Parkland friendships
- To stay informed on retirees' benefits
- To volunteer and support the hospital
- To benefit the Parkland Foundation
- To gain knowledge on Parkland's future

Membership:

The only requirement for PROs' membership is that you are receiving (or eligible to receive) benefits from Parkland. Membership dues are only \$15 per year which gives you access to the PROs' website and provides you with a directory of fellow PROs' members. Membership meetings are held twice a year at a central Dallas location and may involve an additional minimal expense to cover the cost of your lunch.

ParklandPros.org:
