5 Ways We Can Help During Medicare Annual Enrollment

Let Health*Compare* help you navigate Medicare Annual Enrollment. Here's how we can assist you.

Parkland

HealthCompare an Allstate company

1 Needs Assessment
Answer some brief questions about your needs & budget, and we'll look for plans that fit those guidelines.

2 Quick Plan Search
We'll search Medicare Advantage, Medicare supplement (Medigap) & Medicare Part D plans available in your area.

3 Side-by-Side Review
When you're on our website, we can compare plans using filters that matter to you, including deductibles, copays, CMS Star ratings & more. We can even compare new plans to your current coverage.

4 Co-Browser Mode
We can review plans with you and another person online, in real time, even if you're in different locations.

5 Enrollment Support
Once you're ready to enroll, a knowledgeable & licensed insurance agent can assist you over the phone.
